

**AN VAN THINH**  
FOOD COMPANY

# GOOD FOODS

COME TO THOSE WHO CHOOSE

# OUR STORY

An Van Think Food Co., Ltd was established in 2007 with a positive orientation to introduce Vietnamese agricultural products to worldwide consumer.

With over 11 years of experience, the quality of products and the customer services are our core targets that we have been setting and maintaining during the time.

Accompany farmers in bringing up the value of Vietnamese products, improving their lives, stabilizing prices and output.

Determined to contribute to the local and country economy develop better day by day.

## THE FEATURES

**Customers:** With the motto of putting customers' benefits on top, we are confident to be a loyal and reliable partner.

**Farmers:** Located in the city famous for typical agricultural products, we understand the difficulties that farmers have to face with. Ensure stable output, long term benefits, improve the farmers' lives as well as the value of VN products.

**Employees:** With the goal is "HUMAN IS THE CORE" – AVTfood always values human resources. We also at the same time is the place attracting talents who can maximize their potential capacity to improve the image of AVTfood toward customers.

## THE ESSENCE OF PRODUCT

**A. Material Quality:** Each kind of raw material is harvested from farms where are well cared and controlled along with stable and high quality.

**B. Prestige of the company:** Each product is the passion of the entire board of leaders and employees of An Van Think food

In addition, products are produced under the thorough supervision of the professional QC team and lab equipment.

**C. Technology:** AVTfood has been oriented to apply the technology 4.0 to production with a professional system of machines.

**D. Impression:** We commit to supply products with the best quality, highest stability and the most reasonable price.

ACTIVELY SOURCE

# HIGH QUALITY MATERIALS

Lam Dong province has affirmed the advantage of high - tech agricultural application in terms of economic development, environmental protection and deep socialization. Lam Dong is also considered as the leading province in the field of high - tech agriculture in country.

Products are made of 100% fresh materials which have clear traceability of Vietnamese government.

With the best quality materials - ensure the best products. Lam Dong is a cool year-round highland province, very convenient for agricultural development, and is the 7th largest province in the country adjacent to the southern key economic region, the only province in The Central Highlands has no international borders. The cultivated area of vegetables and fruits in the whole province reached more than 62,000 ha, the output reached more than 3 million tons. With the application of modern technologies to production, the productivity and quality of agricultural products has brought Lam Dong led Area and output to the top of the country.

# FULLY COMPLY WITH INTERNATIONAL CERTIFICATION OF FOOD HYGIENCE, SAFETY AND ENVIRONMENTAL OBLIGATIONS TO LOCALITIES

AVTfood is one of the largest factories in the region. Production capacity of nearly 10 thousand tons / year, AVTfood has exported to 25 countries and territories with many long-term traditional customers in Europe, Asia, Australia and America.

By many years of prestige, AVT food has achieved and well maintained the certifications as BRC, HACCP, GMP, ISO 22000: 2005, KOSHER, FDA USA, FSMA.

Conducting re-evaluation once a year, records and actual completion is good, AVTfood is always the pride of the region.
