INTRODUCTION

C & C Spice Company Limited is proud to be the unit of supplying the best high quality spices with Vietnamese source to our customer. Our philosophy is to work with our customers with honesty and integrity. While sophisticated in knowledge and experience, we pride ourselves in providing each of our customers with the individualized attention and professional service they need.

VISION

As a pioneer in the application and development of products from cinnamon and other spices.

MISSION

Providing natural, effective and environmentally friendly products.

CORE VALUE

People. People are the foundation for the success of the company. We always try our best for the development of each individual, helping them to reach their full potential and to achieve our desired goals.

Integrity. Business ethics is the foundation for all activities at the company. We aim to be fair, transparent and respectful of all partners, customers and suppliers.

Change. Identifying trends and market needs is one of the essential factors for sustainable development. We will always change, improve constantly to contribute to improving the quality of human life.

Quality. At our company, every activity comes from passion. By strictly complying with the production and business processes, we are committed to providing quality products according to agreements and perfect services to our customers.

Protect the planet. We are committed to developing sustainable material areas, not affecting the greening of the hills. Develop natural products, using recycled and environmentally friendly packaging materials.

SALES POLICY

We have set up quality control processes at all stages of the product cycle, like harvesting, transportation, and storage. We meet our customers' needs according to the specifications and/or samples provided. In addition, with the logistical support of our other companies, we are committed to bring the best possible service to our clients.

Sale commitments:

Building partner trust with long-term cooperation.

Providing the best price and quality.

Guaranteeing on-time delivery of goods and samples.

Providing quick and accurate customer service.

Having clear complaint process in order to customer satisfaction.

We are proud partners of VCCI, TRADEKEY, SHETRADES, ALLBIZ...
