SA GIANG IMPORT EXPORT CORPORATION (SAGIMEXCO DONG THAP) is located at Sa Dec City, Dong Thap Province, Viet Nam. Sa Giang was founded in 1960s, was one of the first Vietnamese companies which was approved and issued the EU code (HK328) for exporting to European markets.

Sa Giang shrimp chips are made from tapioca starch and some traditional ingredients that bring to this southern cuisine a special flavor. That is why they often call shrimp chips as "Specialties of Southern Viet Nam". And from that, we have established the trademark "**Sa Giang**" till today.

Sa Giang's main products include:

- Uncooked chips: Shrimp chips (also called Prawn Cracker), Cuttlefish chips, Crab Chips,...
- Rice products: Rice Noodle, Rice Stick, Rice Vermicelli,...
- Moreover, **Sa Giang** also produces bottled water for domestic market

Sa Giang has 3 factories: two factories produce uncooked chips and another produces other products.

- The total capacity is 9.000 tons/year.
- Average sales: more than 250 billion VND/year.

- Annual export turnover reach nearly 7 million USD.
- Labor force: more than 500 workers.

The target of **Sa Giang** is to assure consumers of hygiene and safe in food production to protect the public health. Hence, We have been approved all Vietnamese standards and applied quality managements such as HACCP, FDA, ISO 9001:2008, HALAL, BRC...

We can provide certificates to support exporting such as: FDA – which is the guarantee to export to United States, HALAL certificate – it means products are accepted by Islam community.

By choosing **Sa Giang's** products, consumers can be absolutely at ease to enjoy the traditional taste with high quality products. Our staffs are always energetic, creative and working with target: "*Always change and improve to enhance the prestige and quality of customer service*".
