ABOUT US

Selected by hands
Roasted with hearts

We are a team of coffee enthusiasts, with great passion and love for traditional Vietnamese coffee products because we believe they are among the best in the world.

Now is the time to share the amazing taste of Vietnamese coffee with you.

Our traditions of selecting, roasting and blending coffee beans in a particular way gives Vietnamese coffee its unique style and flavour.

In our state-of-the-art facilities we develop elegant, well rounded and exiting coffee products that will satisfy gourmets all over the world.

Dr. Nam® is not just another coffee brand, it is our promise to deliver high-quality coffee products that will add a distinctive flavor to coffee-loving communities.

Dr. Nam® Coffee Team

**“ We found the finest
and purest quality
coffee beans in the
“Le Petite Paris”
plantations. ”**

PLANTATIONS

The Vietnamese highlands around Da Lat, where people call it 'Le Petit Paris', are famous for the exceptional quality of their coffee beans. Coffee beans, which are grown at higher altitudes, are much richer in taste and more distinctive in aroma.

Selected by hands
Roasted with hearts

Only the best coffee beans that meet all quality requirements in terms of shape, colour and size are selected for **Dr. Nam®** coffee.

Our Robusta coffee is grown at an altitude of 500 - 600 meters in the central highland region around Da Lat. Our Arabica coffee ripens at a height of approx. 1,500 meters above sea level on the Cau Dat mountain.

OUR ART OF COFFEE BEAN TRANSFORMATION

Roasting, Blending, Grounding, Packing

Roasted with hearts

Arabica beans have attractive chocolate, nut, berry and fruity flavour notes. High-end Robusta coffee on the other hand, adds depth of flavour and its tangy component enhances the coffee's character.

Dr.Nam® Coffee creates an artful combination of both, to create pure coffee lines that will satisfy preferences of soft, delicate and sweet flavours as well as the desire for a full-bodied aroma with a lot of character.

Ingredients: 100% pure coffee

GROUND COFFEE

Dr.Nam® Coffee components are roasted individually to preserve the unique characteristics of the two different types of beans.

This process captures and showcases each coffee in its prime state rather than compromising flavour and complexity by roasting them together as other brands do.

Ingredients: mix of Arabica & Robusta, 100% pure coffee

Humidity: $\leq 3\%$

Caffeine: $\geq 1\%$

Net weight: 250 g and 500 g

Use coffee filter, grinder or blender

JUST BLACK

Dr.Nam® Just Black is a unique taste, far richer, and more full-bodied flavour than most instant coffees.

It has minimal nutritional value, meaning it is only nutrient. And this beverage is a healthy choice for breakfast or the afternoon coffee break.

Along with the exclusive processing formula, Dr.Nam® Coffee will give coffee lovers a product of instant black coffee with a bitter taste and typical aroma of premium coffee.

Let's kick off your day with us!

Ingredients: 100% instant black coffee (Arabica & Robusta)
