südwollgroup

About Südwolle Group

We produce dyed and natural worsted yarns in 100% wool and wool blends. Since 1966 we are a family-owned business, headquartered in Schwaig, Nuremberg Metropolitan Region, Germany.

We are not just a spinner, we are your partner.

Reduce your lead times

- Complete range of stock supported products for prompt delivery
- Order from 11 warehouses in 8 countries, wherever you produce
- Parallel manufacturing in Europe and Asia

Avoid unnecessary cost

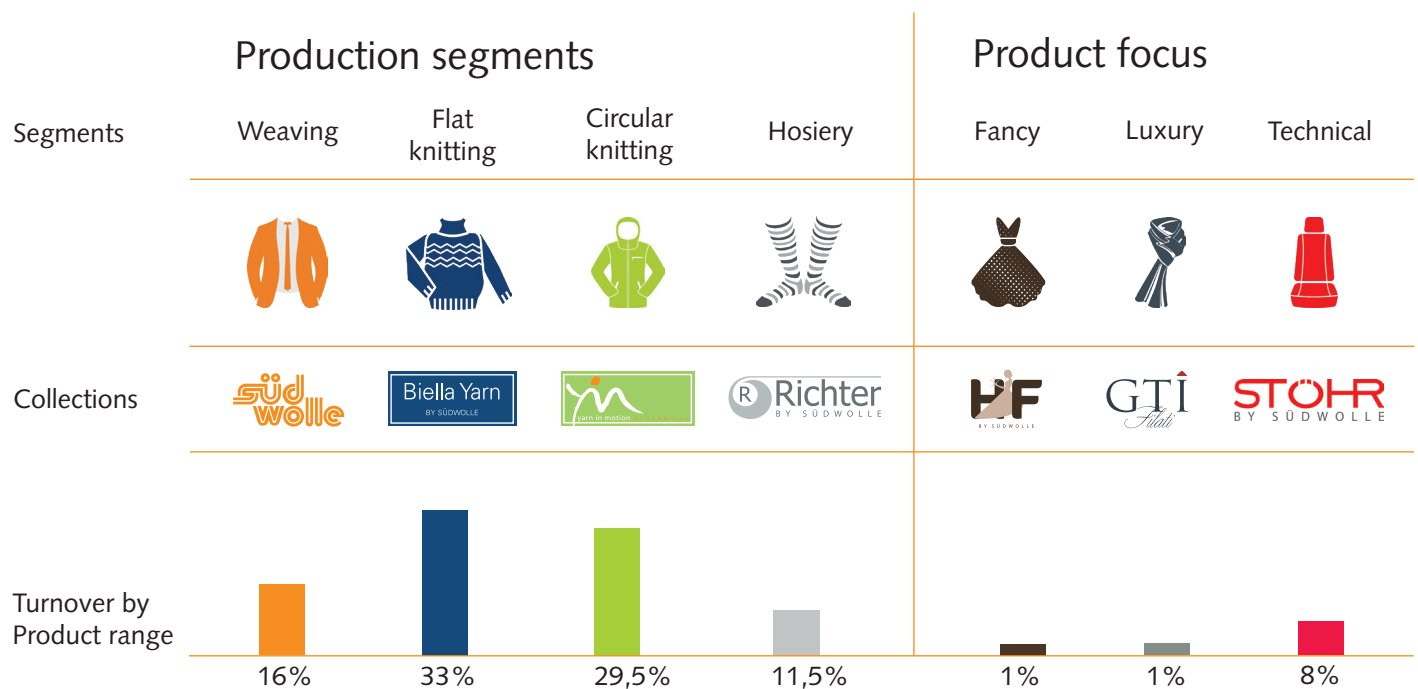

- Strong focus on process improvements and consistent quality to reduce production waste
- Receive ongoing support through our expert after-sales-service

Turn your vision into reality

- Develop individualized product solutions with us when standard items are not enough
- Get inspired by Südwebs – our product management and innovations department

Peace of mind for you and your customers

- Be reassured by transparent production processes that meet highest ecological and ethical standards
