***NEO Essential Oil - The heart in each product***

Cong Thanh Development Investment Joint Stock Company, the owner of the brand NEO Essential Oil - specializes in manufacturing and supplying pure natural essential oil products.

The company currently owns an essential oil distillery with modern technology and machinery, in order to create essential oil products with high economic value and good quality yield. NEO Essential Oil products are created from medicinal plants grown and cared for by Hue people in their own homeland. NEO essential oil is produced directly by steam distillation method with modern equipment.

Towards the goal and desire to bring customers pure and quality natural essential oil products, contributing to community health care. NEO essential oil always puts the quality factor on top, with the criterion: "The heart in each product", committed to giving customers the most satisfaction and trust in product quality.

Cong Thanh is currently a manufacturer, direct distributor for agents and distributors of natural essential oils:

- + NEO essential oil extracted by Japanese technology.
- + Steam distillation method.

Cong Thanh Development Investment Joint Stock Company understands the importance of the value of products and wishes to bring the best quality to customers. "Satisfied customers, sustainable brands". Therefore, the Company is constantly learning and innovating to produce pure products with the sound of nature with clear origins, bringing peace of mind for customers to use.

**CLEAR ORIGINAL ORIGIN:** All NEO Essential Oil products have a clear traceability stamp code, are tested by competent authorities to meet new standards, and are exported to the market in order to give customers peace of mind.

**OUTSTANDING PRODUCT QUALITY:** NEO essential oil is extracted 100% from nature and is absolutely safe for health, friendly to our living environment. Products are harvested from local farmers in Phong Dien district, besides, the company always actively incubates and grows more material areas to meet the needs of production and business. It is thanks to the belief in 100% natural quality that NEO Essential Oil has received many customers across the country.

**ORDER FAST:** Currently NEO Essential Oil is trading on e-commerce platforms SHOPEE, LAZADA, TIKI, Fanpage "NEO Essential Oil" and [www.tinhdauneo.com](http://www.tinhdauneo.com) and dealer distribution systems all over the country. The company always supports extremely fast delivery, payment on receipt and answers all customer questions in the most detail with Hotline 02346276666 – 0917767054.
