

# PRODUCT GUIDE

## 2021

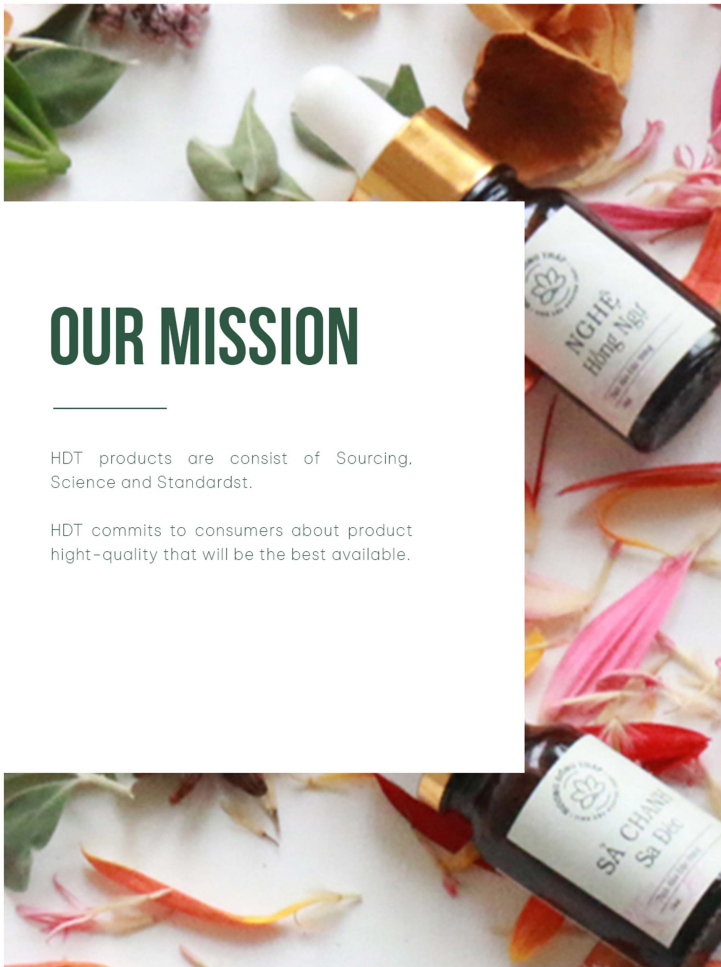

An aerial photograph showing a coastal city with a large body of water. In the foreground, there are extensive green aquaculture farms (shrimp ponds) with various structures and canals. The city is visible in the background, with buildings and infrastructure along the waterfront. The sky is blue with some clouds.

# INTRODUCTION

HUONG DONG THAP Essential Oil Trading and Manufacturing Company Limited (HDT) operates in the field of producing pure essential oils and products that products that make from essential oil. HDT products are consist of Sourcing, Science and Standards, its infused into every aspect of our extracting essential oil processes and useful products. We believe that you want to give the best thing for your family and your-self. Each product of HUONG DONG THAP is infused into our painstaking quality testing to ensure that your family enjoy the purest essential oil.

# OUR MISSION

---

HDT products are consist of Sourcing, Science and Standardst.

HDT commits to consumers about product hight-quality that will be the best available.

---

Vietnam  
natural products

---

100% Pure

---

Safe and  
effective use

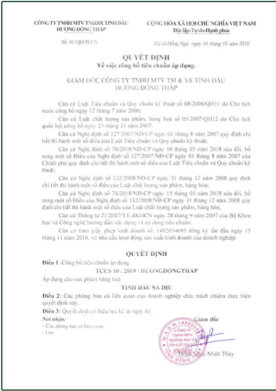

---

Eco-friendly  
(sustainable)  
environment

# CERTIFICATION

Huong Dong Thap is certified by:

- Certificate of Analysis
- Standard base
- Material Safety Data Sheet

CÔNG TY TNHH ĐẦU TƯ HƯƠNG BÔNG THẬP		
Tỉnh/thị xã: 113 Nguyễn Thị Minh Khai, phường An Thạnh, Thị Xã Đông Phú, Đồng Tháp Hotline: 0933.388.887		
CERTIFICATE OF ANALYSIS		
Product name	MANDARIN PEEL OIL	
Botanical name	Citrus nobilis Lour var. citreopurpurea	
Species name	Citrus nobilis var. citreopurpurea	
INCI name	Citrus nobilis var. citreopurpurea oil	
Country of origin	Vietnam	
Batch code	01 May 2020	
Lot n°	12050111	
Manufacturing process	steam distillation	
Plant pests	free pests	
Properties	Specification	Result
Appearance	Colorless clear liquid	Complies
Odor	characteristic	Complies
Flash point	49°C	Complies
Stability	Soluble in alcohol and oil; Insoluble in water	Complies
Specific Gravity	0.847 - 0.853	Complies
Optical Rotation	+0.3 to + 0.78	Complies
Density	0.840 g/mL at 25°C	
Quality Control		
Printing date: July 2020		

Certificate of Analysis

Material Safety Data Sheet of Mandarin Essential Oil	
Section 1: Product and Company Identification	
Trade name: Mandarin Essential Oil	Control information
Brand name: Citrus nobilis var. citreopurpurea oil	BHONG DONG THAP ESSENTIAL OIL Co., Ltd
Manufacturer: Citrus nobilis var. citreopurpurea oil	113 Nguyễn Thị Minh Khai Th. Xã An Thạnh, Đồng Tháp
INCI name: Citrus nobilis var. citreopurpurea oil	Ngũ cấp, Đồng Tháp province, Vietnam
Country of origin: Vietnam	Tel: 094 12356987
Supplier: Citrus nobilis var. citreopurpurea oil	Email: huongdongthap.com@gmail.com
Website: huongdongthap.com	www.huongdongthap.com
Section 2: Physical and Chemical Properties	
Appearance: Colorless to yellow liquid	Odor: Strong, pungent, Medicinal and sweet in taste
Refractive Index: 1.4600 to 1.4700 at 25°C	Stability: Stable in Air, water and other organic solvents
Specific Gravity: 0.840-0.853 at 25°C	Optical Rotation: +0.3 to +0.78
Section 3: Hazard Identification	
Licensing	
Medical Information: N/A	
Section 4: Stability and Reactivity	
Stability: Chemically stable	The material poses no significant reactivity hazard
Conditions to Avoid: Avoid open flame and excessive heat	Storing conditions: Cool, dry, dark
Reactivity: Strong oxidizing agent	Combustible liquid
Hazardous Polymerization: Not applicable	WSD not applicable
Hazardous Combustion or Decomposition Products: None known	
Section 5: First aid measures

## PRODUCTION PROGRESS

- Ingredients
- Research
- Standard

### INGREDIENTS

We extract all essential oils from plants that feature of Delta Mekong and South Vietnam such as Mandarin peel, Pomelo peel, Melaleuca leaf, Rosemary leaf, Peppermint leaf, Citronella leaf, Lemongrass leaf, etc.

Our sources are controlled conscientiously and regularly by specialized experts.

Here, we plan the material area according to the principle: prioritizing quality, increasing community value, and protecting the environment.

### RESEARCH

Huong Dong Thap's research and quality control team is composed of intensively trained engineers in essential oils and cooperates in research with foreign experts.

Huong Dong Thap uses the process of refining pure essential oils according to the exclusive patent research technology of Huong Dong Thap.

We create products that are pure, safe and apply the innovative technologies.

### STANDARD

The purpose of company is create a collection of aromatic plants, medicinal plants and conserving precious genetic resources, we systemize information transparently and scientifically way to manage genetic resources effectively.

Moreover, our team use these informations to develop crop groups suitable to local soil and climatic conditions. This helps uplift a communitive economy, control the quality of materials as well as minimize the harmful impacts for environment. Huong Dong Thap sets up the golden quality standard from source to customers with accurate ingredients, pure essential oils for sustainability.

## CAO LANH POMELO ESSENTIAL OIL

*Citrus grandis*

	Cao Lanh Pomeo Essential Oil			
Size	10mL	30mL	50mL	100mL
	1 kg	5 kg	25 kg	200 kg

- **Plant materials:** fruit peels
- **Origin:** Dong Thap, Vietnam
- **Extraction method:** steam distillation
- **Uses:** aromatherapy, materials for cosmetic, pharmaceutical, and food industries.

## TRAM CHIM CAJEPUT ESSENTIAL OIL

*Melaleuca cajuputi*

	Tram Chim Cajeput Essential Oil			
Size	10mL	30mL	50mL	100mL
	1 kg	5 kg	25 kg	200 kg

- **Plant materials:** leaves
- **Origin:** Dong Thap, Vietnam
- **Extraction method:** steam distillation
- **Uses:** aromatherapy, materials for cosmetic, pharmaceutical, and food industries.

## SA DEC LEMONGRASS ESSENTIAL OIL

*Cymbopogon flexuosus*

	Sa Dec Lemongrass Essential Oil			
Size	10mL	30mL	50mL	100mL
	1 kg	5 kg	25 kg	200 kg

- **Plant materials:** leaves
- **Origin:** Dong Thap, Vietnam
- **Extraction method:** steam distillation
- **Uses:** aromatherapy, materials for cosmetic, pharmaceutical, and food industries.

## HONG NGU CITRONELLA JAVA TYPE ESSENTIAL OIL

*Cymbopogon nardus*

	Hong Ngu Citronella Java type Essential Oil			
Size	10mL	30mL	50mL	100mL
	1 kg	5 kg	25 kg	200 kg

- **Plant materials:** leaves
- **Origin:** Dong Thap, Vietnam
- **Extraction method:** steam distillation
- **Uses:** aromatherapy, materials for cosmetic, pharmaceutical, and food industries.

## LAI VUNG MANDARINE ESSENTIAL OIL

*Citrus nobilis var. chrysocarpa*

	Lai Vung Mandarin essential oil			
Size	10mL	30mL	50mL	100mL
	1 kg	5 kg	25 kg	200 kg

- **Plant materials:** fruit peels
- **Origin:** Dong Thap, Vietnam
- **Extraction method:** steam distillation
- **Uses:** aromatherapy, materials for cosmetic, pharmaceutical, and food industries.

## SA DEC PEPPERMINT ESSENTIAL OIL

*Mentha piperita*

	Sa Dec Peppermint Essential Oil			
Size	10mL	30mL	50mL	100mL
	1 kg	5 kg	25 kg	200 kg

- **Plant materials:** leaves
- **Origin:** Dong Thap, Vietnam
- **Extraction method:** steam distillation
- **Uses:** aromatherapy, materials for cosmetic, pharmaceutical, and food industries.

## HONG NGU CITRONELLA ESSENTIAL OIL

*Cymbopogon sp.*

	Hong Ngu Citronella Essential Oil			
Size	10mL	30mL	50mL	100mL
	1 kg	5 kg	25 kg	200 kg

- **Plant materials:** leaves
- **Origin:** Dong Thap, Vietnam
- **Extraction method:** steam distillation
- **Uses:** aromatherapy, materials for cosmetic, pharmaceutical, and food industries.

## HONG NGU EUCALYPTUS ESSENTIAL OIL

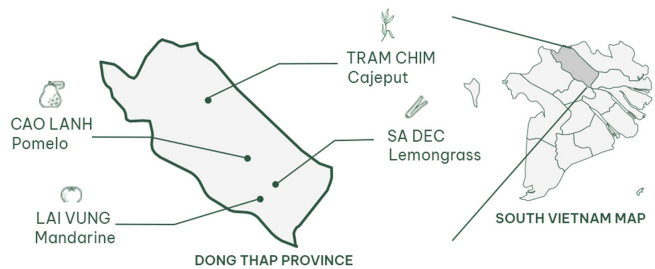

*Eucalyptus globulus*

	Hong Ngu Eucalyptus Essential Oil			
Size	10mL	30mL	50mL	100mL
	1 kg	5 kg	25 kg	200 kg

- **Plant materials:** leaves
- **Origin:** Dong Thap, Vietnam
- **Extraction method:** steam distillation
- **Uses:** aromatherapy, materials for cosmetic, pharmaceutical, and food industries.

# MATERIAL AREA

The material areas of Huong Dong Thap has sourced the plants that feature of Delta Mekong and South Vietnam such as Lai Vung mandarine, Sa Dec lemongrass, Cao Lanh pomelo, Tram Chim Cajeput...

Huong Dong Thap commits to

Accurately identify the material variety.	Cultivation suitable to the climate and soil of each region.	No chemical additives	No residue of pesticides	No genetically modified plants (GMOs)

# PRODUCTS

HUONG DONG THAP focus on 4 criteria:

- Vietnam natural products
- 100% pure
- Safe and effective use
- Eco-friendly (sustainable) environment

HDT commits to consumers about product hight-quality that will be the best available.
