INTRODUCTION

NIVADO is proud to be the pioneer in dressform and mannequin manufacturing and commercing in Vietnam. With over 60 years of experience and a team of high skill production workers, NIVADO's products and services have been a place to bring satisfaction and appreciation to our partners, who are the major fashion system nationwide.

The NIVADO brand was formerly known as Van Do dressform, which was founded in 1954 by a talented woodcrafter Ngo Van Do, who was awarded the Vietnam Golded Hand Medal in 1987 and Indochina Golden Hand Award in 1999. Honored "Hanoi Artisan" in 2004.

OUR HISTORY

1954

1954: The first ever Van Do branded dressform was created in Lien Ha, Dong Anh, which was a wood-craft village in Vietnam by Ngo Van Do.

Set the fundamental milestone for the dressform and mannequin manufacturing in Vietnam.

1987 / 2004

- 1987 : Vietnam Golden Hand Medal Award.
- 1999: Indochina Golden Hand Award.
- 2004 : Recognized "Hanoi Artisan"

2000

- Van Do dressform switched to NIVADO. Inheriting and maintaining the production of dressform and at the same time pioneering the Composite plastic Mannequin manufacturing in Vietnam.
- Dominate the domestic commercial market, directly compete with products made in China.

2000 - nay

- Marked a transformation and a strong step forward when Niva Group Joint Stock Company was established.
- Inheriting and promoting the tradition with creativity, NIVADO's artisans, instead of carving on wood, skillfully used Composite materials to create mannequins, contributing to sublimation of the fashion industry Vietnam.
- Maintain a pioneering position in the field of domestic production and trade. Become a reliable partner of major fashion brands nationwide.
- NIVADO is proud to be the first Vietnamese enterprise to export mannequin products to Japan and Taiwan.
