Connecting businesses of your interests

Connector – connecting businesses of your interests

Local insight

Global network

Connector is a consulting service provider in Vietnam, connecting businesses from Europe/US to Vietnam through trade and investment promotion.

Connector services

BizMatching

With our verified and updated sourcing data, we connect global sellers and buyers with Vietnam counterparts in all fields/sectors

Country sales partner

We follow up and engage with your partners on behalf of your company via emails, phones or meetings to develop lasting relationships and assist you to seal contracts with them.

Business delegation

We manage travel, stay, corporate events, and site visits, tailored to delegate profiles, for business delegations hosted by chambers, trade organizations, government, and government agencies.

Investment Consultancy

We provide local market information, investment policy, licensing and other legal procedures

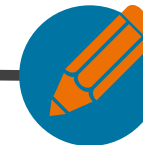

Mergers & Acquisitions coordination

We source target companies, screen and coordinate due diligence with our trusted partners, execute transactions and ensure the smooth integration

B2B content marketing

Our parent company, Levica, is a strategic content marketing agency. We help successful B2B organizations and brands grow faster while utilizing the full power of content marketing
