## History

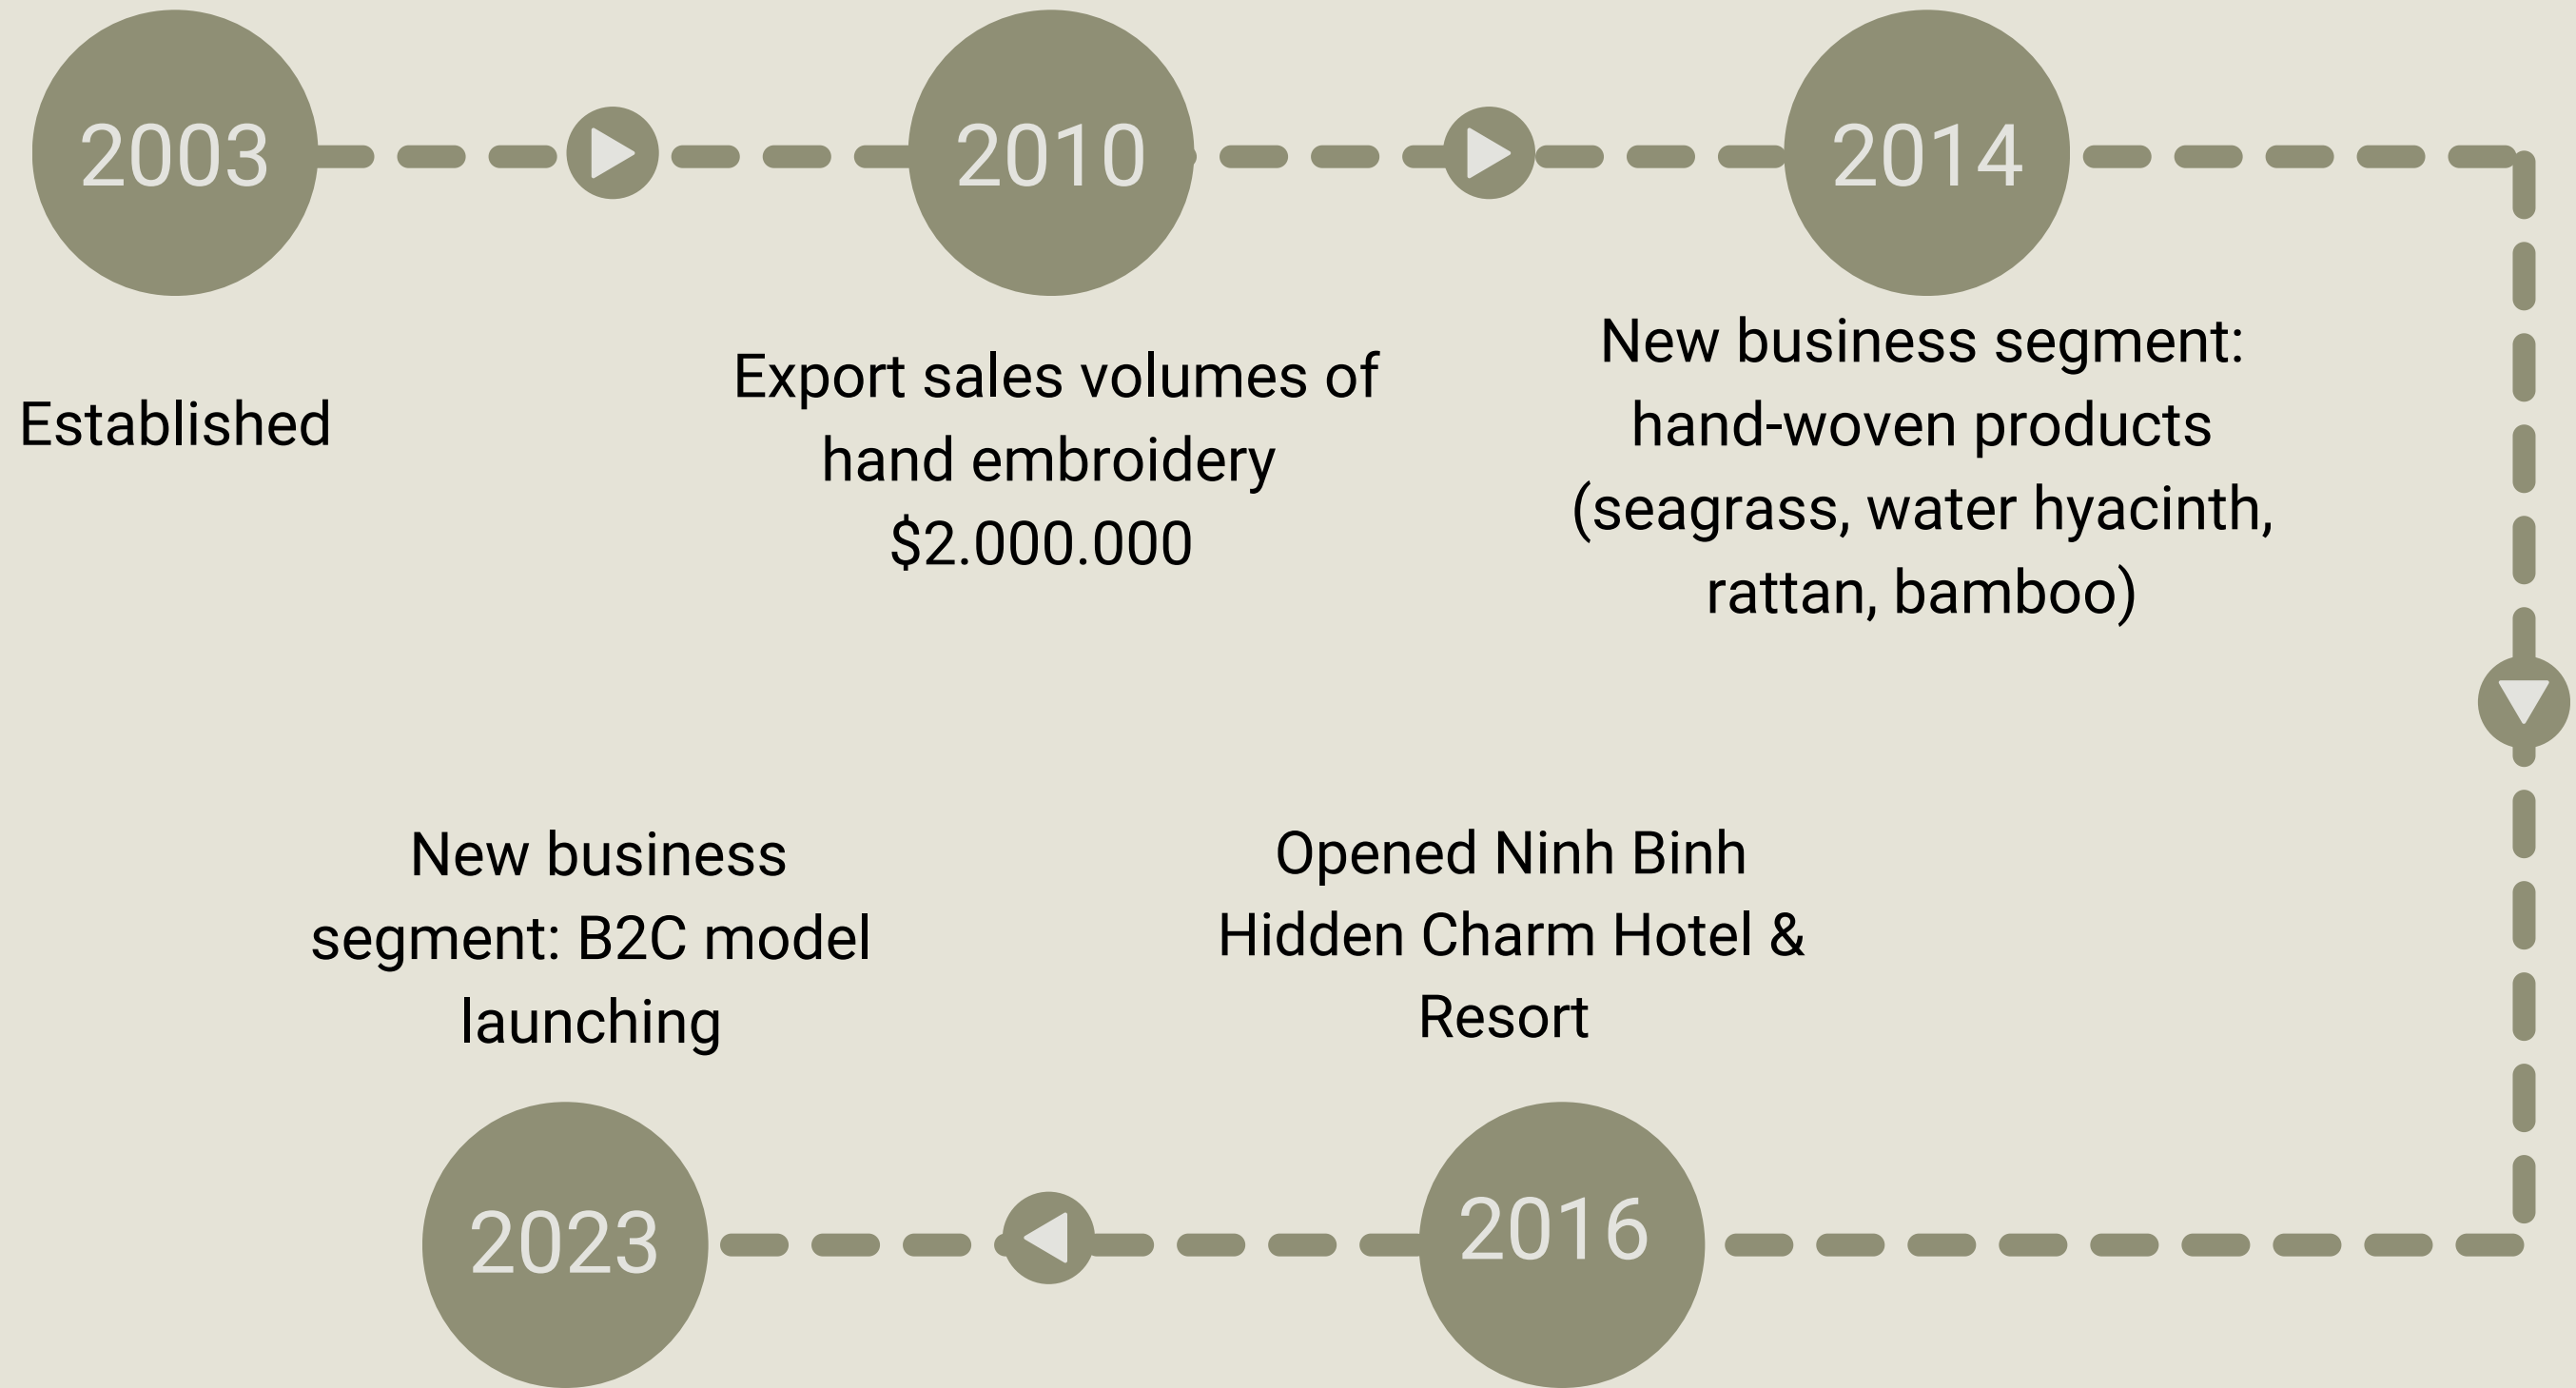

In 2003, GREEN SUN CO., LTD is founded in the traditional craft village of hemstitch in Ninh Binh province of Vietnam.

With the desire to preserve the 700-year-old art of traditional hand embroidery, and to introduce and promote to the world the high-quality hand embroidery products, we employ the most-skilled craftsman.

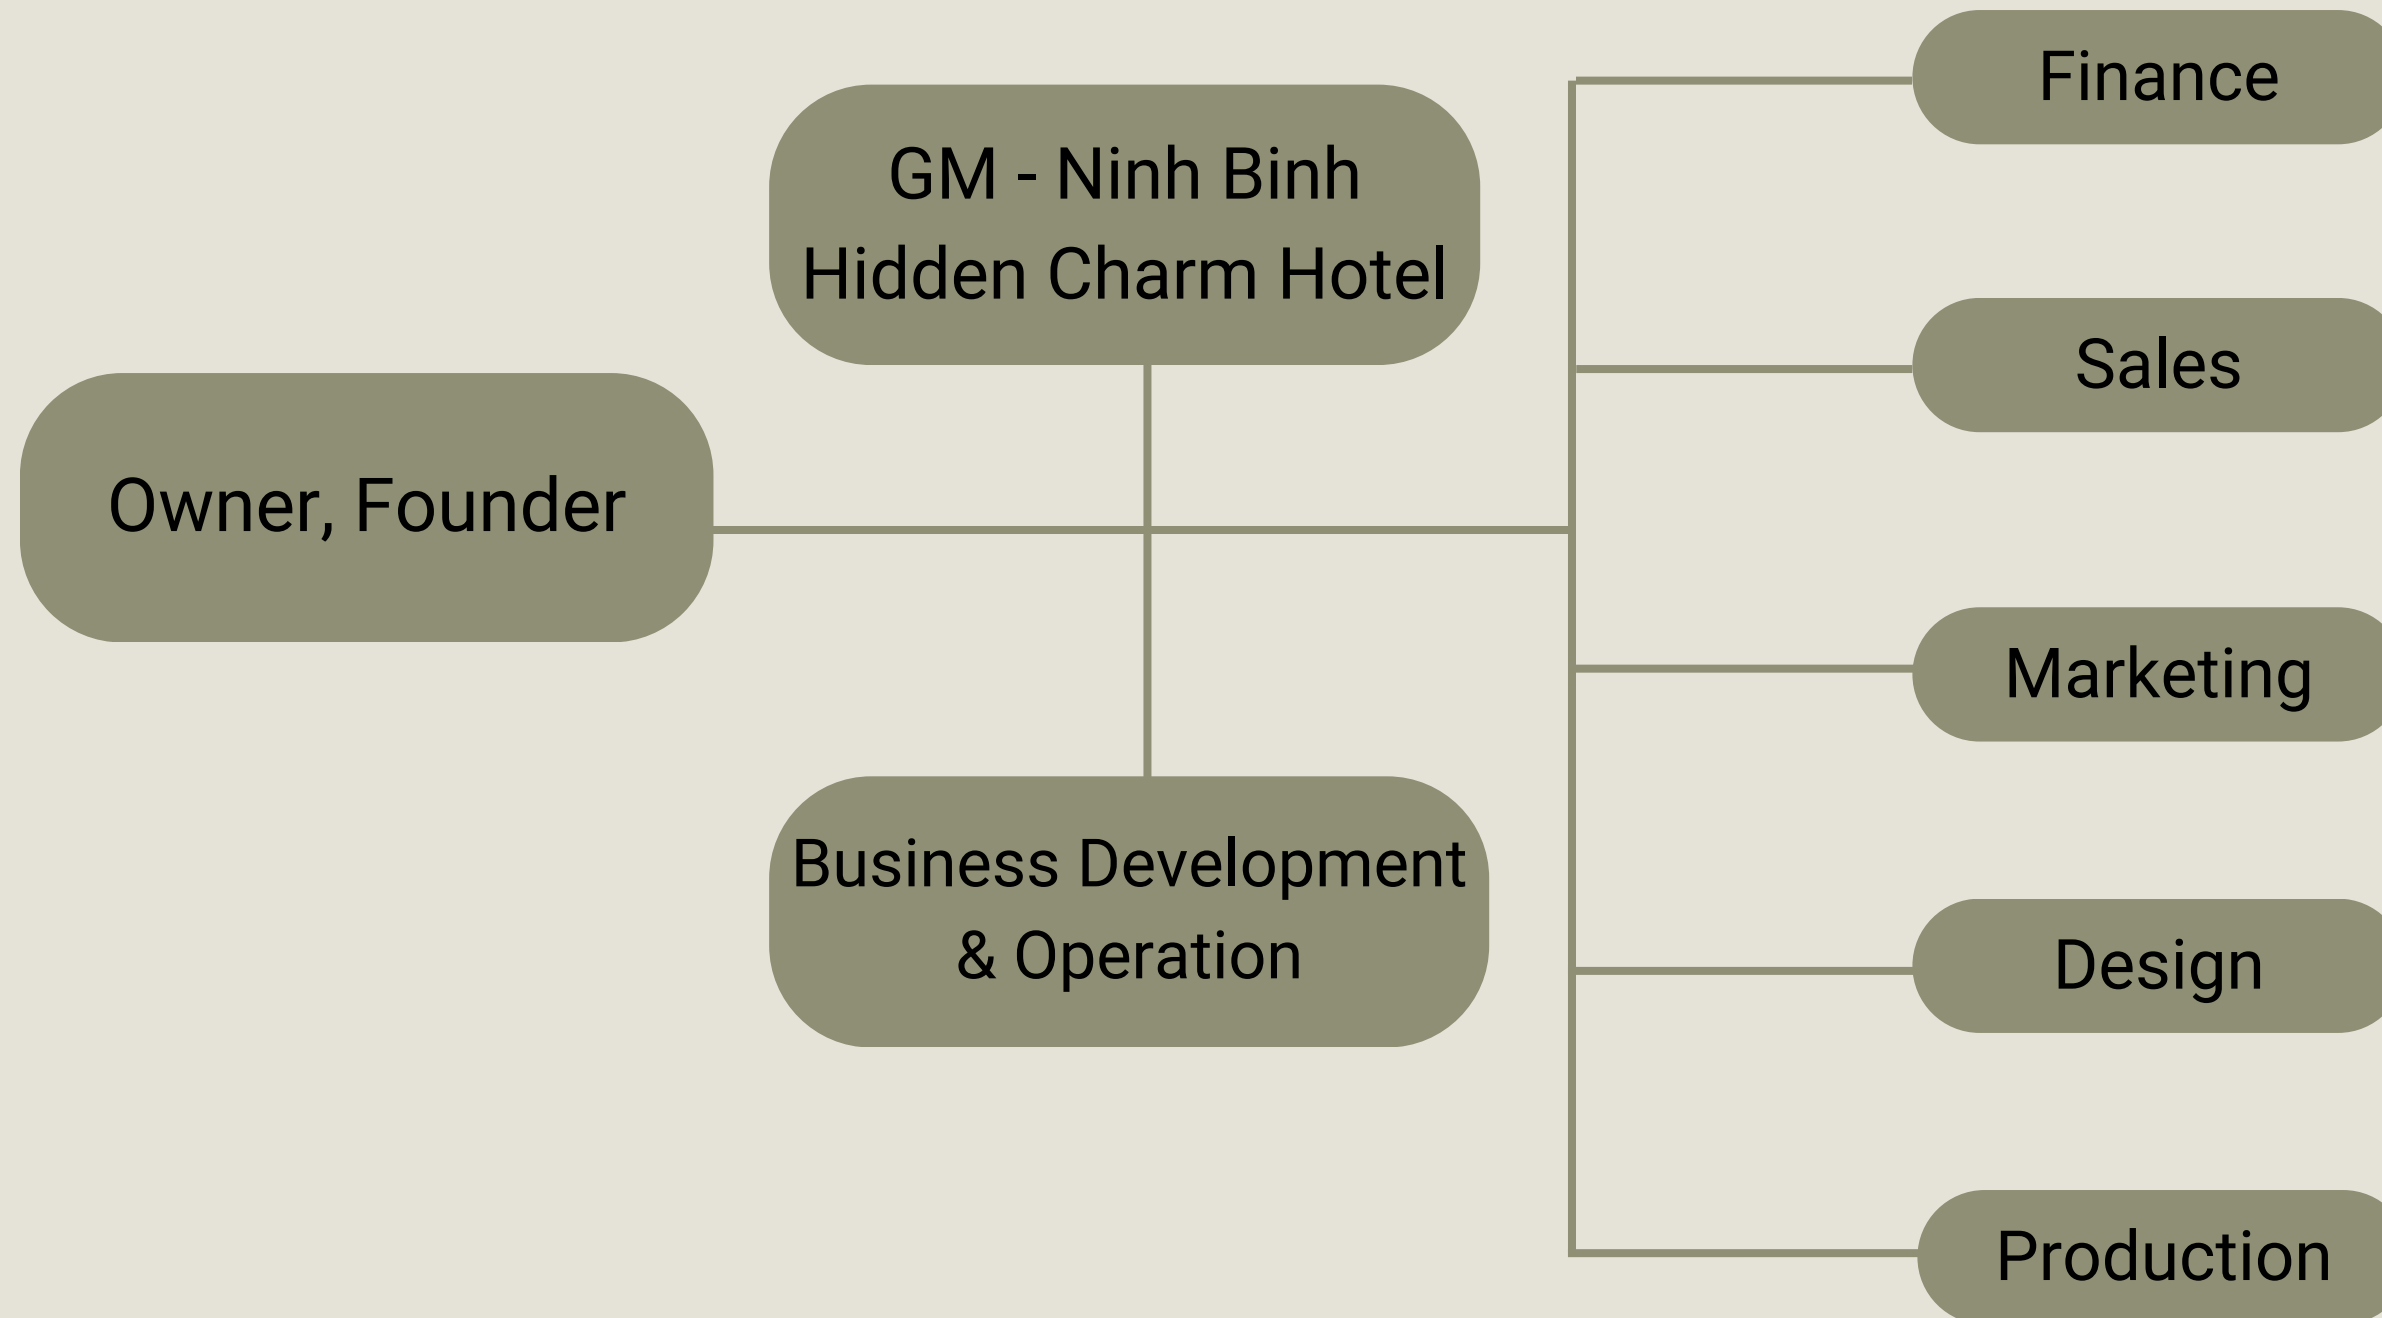

## Service

We specialize in hand-embroidery and hand quilting products: beddings, table linen, clothes, thread painting, and other decorative products which incorporate our traditional cultural identity into modern and original designs. for our customers. We offer design, consultation, manufacture, and import-export services.
