

LEADING REUSABLE & ECO-FRIENDLY MANUFACTURER

"Strive for the excellence"

Kim Duc JSC is the leading eco-friendly shopping bag manufacturer in Vietnam. With professional production lines and all of close in-house production steps which are controlled strictly from the materials (manufacturing fabric), cutting, sewing and packaging, we have been high appreciated from our both domestic and international partners. Our QA/QC process follow ISO 9001 - 2015 and strict standards from our clients in North America, Europe, Japan and Korea.
