CAT5E UTP

CAT5E FTP

CAT5E UTP OUTDOOR (HDPE)

CAT6E UTP

CAT6A FTP

CAT6E UTP OUTDOOR (HDPE)

MAIN PRODUCT - ELECTRIC WIRE

- Soft double wire

- Fireproof wire

- Soft single core wire

MAIN PRODUCT - LED STRIP STRING

LED strip lights with high-quality LED chips, high brightness, long lifespan, and absolute water resistance standard IP65, IP67,...

MAIN PRODUCT - DECORATIVE LIGHT

MAIN PRODUCT

- Solar DC Wires
- Tin plated braided copper wire

Good electrical conductivity, safe insulation

Bright colors, no tarnish in harsh environments, highly aesthetic

Small copper wires, easy to bend and install when used

Processing according to customer requirements

Used in aviation, machine building, automobile industry, electronics,...

MAIN PRODUCT

Tin plated braided copper wire

OFFICE AND FACTORY

Using ISO 9001:2015 Quality Management System

EXPORT ACTIVITIES

Viet Han improves product quality to meet export standards to Canadian and American markets

PRODUCTION CAPACITY

Viet Han signed a development cooperation agreement with Korean partners and experts to transfer technology and knowledge

PRODUCTION CAPACITY

Machine	Quantity	Operating capacity
1-way urinal tractor	8	80-100 tons per month
2-way continuous composting machine	2	30-40tons per month

PRODUCTION CAPACITY

Machine	Quantity	Operating capacity
Annealing and tin coating machine 40 tons	2	120-130 tons per month

PRODUCTION CAPACITY

Machine	Quantity
Network cable core wrapping machine	3
Twisting machine for pair of wires	20

PRODUCTION CAPACITY

Machine	Quantity
Twisting machine for four pairs of wires	20
Twisting machine for eight pairs of wires	5

PRODUCTION CAPACITY

Machine	Quantity
Plastic wrapping	6
Packaging machine	5

PRODUCT QUALITY TESTING EQUIPMENT

Staffs	Quantity
QA	10
QC	15

WAREHOUSE

Finnished product wear house: 5000m2

COMPANY ACTIVITIES

Every year the company organizes team building for company employees

COMPANY ACTIVITIES

Customer appreciation programs

TYPICAL PROJECTS

Construction: La Fortuna Apartment Building Vinh Yen

Address: Vinh Yen - Vinh Phuc

Categories: Network Cable Supply

Picture:

Construction: Sam Son Beach Tourism Area

Address: Sam Son - Thanh Hoa

Categories: Supply Wire & Network Cable Led Lighting System

Picture:

TYPICAL PROJECTS

Construction: Training Tourism Ba Golden

Address: Uong Bi - Quang Ninh

Categories: Supply Line Led Lighting System.

Picture:

Works: Flc Hotel Ha Long

Address: Ha Long - Quang Ninh

Categories: Supply Led Lighting Systems & Network Cables
