| FULIN INTRODUCTION

In 1997, Fulin Plastic Industry Company established its headquarter in Hai Phong City with a total area of 60,000m². Within a few years of success, Fulin further established its first branch factory in AMATA Industrial Zone at Bien Hoa City, Dong Nai Province in 2003 with a total landscape of 60,295m². To date, the total investment for both factories is USD\$ 36 million and consists of 1,000 employees.

With over 20 years of operational excellence, Fulin has become one of the leading companies in the global artificial leather market with about 50% export in total sales. Most customers have developed long term partnerships with Fulin and are fully satisfied with our service, quality, creativity and reputation. Fulin takes pride in becoming certified supplier of many famous brands including YAMAHA, TOYOYA, HONDA, SUZUKI, COACH, GUESS, MICHAEL KORS, ASHLEY and more.

As a result, Fulin is very well known in producing high quality synthetic PVC leather of various types including sponge leather, casting leather, raincoat, PVC overlay, clear, super clear and opaque sheet, decorative film, floor tile, inkjet-printing film, tarpaulin, PU leather and many other custom designed products.

Inspired to be a socially responsible member of the global supply chain, the management of Fulin decided to invest additional USD\$20million to develop environmentally conscious, non-toxic products. An independent eco-friendly facility was set up for products of water-based PU, non-solvent PU, high solid PU and TPUs. This new facility has gone into operation since July 2018, with R&D capabilities to fulfill highly customized product requirements.

Fulin's objective goes beyond business operation, we always remain committed to contribute to the development of Vietnam and to satisfy our global customers by delivering products suitable for consumers as well as saving the environment.

| 富林簡介

富林塑膠工業股份有限公司於1997年在越南海防市成立總部，總面積為60,000平方米。隨著富林穩定的業務發展，公司於2003年在同奈省邊和市AMATA工業區增建了第一家分廠，總佔地面積為60,295平方米。兩間工廠擁有約1000名員工，總投資額高達3600萬美元。

在20多年的卓越營運下，富林已成為全球人造皮革市場的領先公司之一，約有50%的產品出口到全球。大多數的客戶選擇長期與富林合作，並對我們的服務，質量，創造力和聲譽感到滿意。富林已成為YAMAHA, TOYOYA, HONDA, SUZUKI, COACH, GUESS, MICHAEL KORS, ASHLEY等許多著名公司的認證供應商，我們亦為此肯定深感榮幸。

也因此富林在生產各種類型的高品質合成PVC皮革方面已打響名號，廣為人知。熱銷產品包括乳膠皮，柔軟皮，雨衣，木紋，透明，超透明及一般膠布，裝飾膜，地磚，噴墨印刷膜，夾網膠皮，PU人造皮革和許多客製化產品。

為響應未來環保趨勢，富林進一步投入2000萬美元建立了一個獨立的環保工廠以提供環保無毒產品及為地球盡一份心力。新廠只供製造新型環保產品包括水性聚氨酯，非溶劑型聚氨酯，高固含量聚氨酯和熱塑性聚氨酯。該工廠已自2018年7月起開始投入生產，並具研發能力，可高度配合客戶開發各類新型環保產品。

富林的目標不僅是業務拓展，我們始終致力於為越南的發展做出貢獻，並通過推廣最適合消費者的最佳產品以及兼顧保護環境的方式來滿足世界各地的客戶需求。
