

PULLS COFFEE

VIETNAM ORIGIN

“ *Inspired by Vietnamese coffee culture and lifestyle, our story to bring the best of Vietnamese coffee to the world started in 2012.* ”

OUR STORY

Starting with a small coffee store that opened in 2012. Three years later, the brand named Pulls Coffee was born with the passion of connecting coffee lovers around the globe. Since its first launching, Pulls Coffee has owned a chain of 40 branches including coffee stores, coffee kiosks, and takeaway coffee.

Our modern coffee factory is located in Long Hau Industrial Park, Long An Province with a current total capacity of more than 600 tons per year.

By collaborating with more than 16 farms in the famous coffee capital of Vietnam such as Da Lat and Dak Lak, we can provide the highest quality products for our partners and customers.

OUR VISION

Pulls Coffee aims to become the leading producing coffee company in Viet Nam and expanding business around the world.

MISSION

Pulls Coffee wants to elevate the Vietnamese coffee value worldwide and help Vietnamese coffee farmers have a better life.
