VISION - MISSION - CORE VALUE

VISION

To become the world's leading Vietnamese group in providing technical solutions, ingredients, and nutritional products in the food industry.

MISSION

Commit to provide partners with the most advanced and perfect technical solutions and ingredients for high-quality products and a healthier community.

Create a professional working environment with comprehensive development opportunities for all employees.

Bring sustainable benefits to shareholders and partners.

CORE VALUE

In ASIA Group, we endeavor to uphold the Company's core values and consider it as a guideline in all our activities.

- Ethics

Respect established standards and act ethically.

- Integrity

I do as I say. My words are who I am.

- Respect

Respect the company and the regulations. Respect yourself and respect each other. Be respectful when communicating, working and discussing together.

- Creativity

The world is constantly changing, we must constantly innovate to create added values.

- Collaboration

As a TEAM, each person needs to collaborate with other members to solve work and produce results for individuals, departments, and companies.

- Sharing

Sharing not only achievements with associates, colleagues but also difficulties and responsibilities with the community, society and environment.

FIELDS OF BUSINESS

TRADING

With nearly 20 years of experience in distributing food ingredients, strategic cooperation with global suppliers to bring customers with high quality ingredients and services, Asia Group increasingly strengthens its position in the food industry.

MANUFACTURING

Asia Group is constantly expanding business scale thanks to the establishment and launching of food production factories with world-class food processing technology, producing products that meet all standards to be exported to strict markets.

RESEARCH & DEVELOPMENT

With extensive knowledge in the food industry along with experienced experts and employees, Asia Group's Innovation Center always provides customers with excellent technical solutions and services.

LOGISTIC

Not only provide customers with the most outstanding warehouse services, but Asia Group also focuses on other factors such as pricing, safety, and delivery speed, with warehouses strategically allocated across Vietnam to offer optimized solutions to manage, operate and stock the goods efficiently.

SUBSIDIARIES

MESSAGE FROM CHAIRMAN

MR. NGUYEN THIEN TRUC (HENRY)
CHAIRMAN OF THE BOARD

“ The period of 20 years of establishment and development has marked many outstanding milestones of leaders and all employees of ASIA Group. Beginning as a TRADER, then becoming a MANUFACTURER and constantly improving the position by investing in the INNOVATION Center in order to provide customers with excellent products and services.

We go on investing in the manufacturing sector in order to optimize abundant and diversified ingredients “S-shaped strip of land”, further enhance the value of Vietnamese ingredients in both domestic and global market and stabilize lives of Vietnamese farmers.

Along with developing ASIA GROUP to become a stronger group, bringing best benefits to shareholders and a stable life for our employees, we are pledged to taking action and contributing more to the community.

We always follow the principle

HELP OURSELF - HELP OTHERS - FOR A BETTER LIFE ”
