I. OVERVIEW

- ✓ **Leading packaging manufacturing with 15 YEARS OF EXPERIENCE in packaging industry**
- ✓ **Main sector: FOOD and beverage, COSMETIC, Pharmaceutical, Agrochemical and veterinary**
- ✓ **Strategic partners: ORION, Uniben, C.P. Group, NOVA Consumer(AN CO family + Phindeli), CJ Group, ACECOOK VN, RICHY, MASAN Consumer, Colusa - Miliket, VIFON, Cholimex, Bien Hoa Consumer, Asiafood, Vemedim, ANOVA, Shinpoong Daewoo Pharma, Phuc Vinh Pharma, An Thien Pharma, H.A.I, ...**

Growth Rate Chart 2016-2024 (Unit: Million USD)

DEVELOPMENT PATH – BINH MINH GROUP

2007- Expanding Production in Binh Duong and Change name Binh Binh Minh Packaging JSC

2020- Building new Factory, meeting BRCGS standard, increasing production capacity to 2,100 tons/month

2023 - Renamed to Binh Minh Group Packaging JSC, increasing production capacity to 3,600 tons/month

2014- Renamed to Binh Minh Packaging JSC, increasing production capacity to 900 tons/month

2021- Renamed to Binh Minh Plus Packaging JSC, increasing production capacity to 3,000 tons/month

WORLD MAKET

II. CAPACITY

- ▶ Factory VSIP IIA- 12.000 m2: No. 12, Road 26, VSIP IIA IP, Vinh Tan ward, Tan Uyen city, Binh Duong province
- ▶ Capacity: 60 tons/day

- ▶ Factory Tan Phu Trung- 10.000 m2: Lot A5-7, Block A5, Street N3, Tan Phu Trung Industry park, Tan Phu Trung village, Cu Chi Dist., HCMC
- ▶ Capacity: 60 tons/day

Total production capacity 3.600 tons / month

MACHINERY SYSTEM

Rotogravure printer with automatic overprint color system

Printing cylinder width: 850- 1250mm

Number of colors: 2-10

Printing speed: 250 - 400 m/min

Quantity: 6

Extrusion coating machine

Membrane width: 750-1200 mm

Extrusion speed: 200-300 m/min

Corona processing

Quantity: 4

Solvent- based laminating machine

Membrane width: 650-1250 mm

Laminating speed: 200-300 m/min

Average capacity: 300 tons/month

Quantity: 3

Inspection machine

Quantity: 4

Solvent-less laminating machine

Membrane width: 650-1300 mm

Laminating speed: 350 m/min

Average capacity: 400 tons/month

Quantity: 3

Bag-making machine

Packaging width: 60- 650 mm

Packaging length: 50- 750 mm

Cutting speed: 30-40 m/min/machine

Quantity: 10

Slitting machine- CRDSL 10002

Membrane width: 50-1200 mm

Capacity: 350 m/min

Average capacity: 300.000 m/day

Quantity: 10

Three and Five layer blowing- machine

Membrane thickness: 0.02-0.12mm

Standard deviation: 0.005 mm

Average capacity: 3 tons/day

Corona processing

Quantity: 4

Offset printing machine

Printing cylinder width: 400x650mm. Number of colors: 6.

Printing speed: 8.000–11.000 sheet/hour.

Print on all paper materials Couche, Ivory, Kraft,...

Quantity: 2

Die cutting machine

Capacity:150.000sheet/days

Made on all paper material Couche, Ivory,Kraft,...

Quantity: 2

Patterning machine

Capacity:80.000sheet/days

Made on all paper material Couche, Ivory, Kraft,...

Quantity: 2

Paper bag making machine

Min-max bag size: 200-500mm

Speed: 200 sheets/minute

Made on all paper material Couche, Ivory, Kraft,...

Quantity: 2

Offset processing 

QUALITY MANAGEMENT

- ▶ Input raw materials are originating from the US, Singapore, Japan, Thailand, ...
- ▶ Area of material warehouse: 5.500 square meter
- ▶ Quality management & Production manager.
- ▶ Warehouse system, raw material, inventory is stable.
- ▶ The finished product system responds to management requirements and quality assurance before leaving the warehouse.

IMPORTING INPUT

IV. PRODUCT

1. Food and beverage

- Product Features: Durability against impacts, Prevents change of contents/discoloration due to leakage/oil, Excellent ultraviolet/oxygen barrier properties...
- Materials: Kraft, Couche paper, BOPP, M-OPP, PET, PA, MCP, MPET, AL, RCPP, PO, LLDPE...

Binh Minh Group Innovation & Development

Noodle & Lidding cup

FAST FOOD

BEVERAGE  PRODUCT

Snack and Confectionery

IV. PRODUCT

2. Cosmetic and personal care

- ▶ Product Features: Excellent ultraviolet/oxygen barrier properties, Easily tearable by using non-woven fabric, Enhanced ease of opening
- ▶ Materials: Couche paper, BOPP, M-OPP, PET, PA, MCP, MPET, AL, RCPP, POF, LLDPE...

IV. PRODUCT

3. Pharmaceutical

- Product Features: Excellent ultraviolet/oxygen barrier properties, Easily tearable by using non-woven fabric, Enhanced ease of opening
- Materials: Couche paper, BOPP, M-OPP, PET, PA, MCP, MPET, AL, RCPP, POF, LLDPE...

4. Agrochemical and veterinary

- Product Features: Suitable for high capacity packaging with high strength films, Extended freshness throughout the distribution process with breathable films
- Materials: Couche paper, BOPP, M-OPP, PET, PA, MCP, MPET, AL, RCPP, POF, LLDPE...

Pharmaceuticals

PAPER PACKAGING

- Packaging paper films, paper bags
- New environmentally friendly materials
- Diverse packaging models: paper bags with handles, packaging paper bags, aluminum laminated film ...
- Material: Paper Duplex, Ivory, Couche, Kraft, Ford ...

INOVATION & DEVELOPMENT ENVIROMENT

- Minimize the impact on the environment
 - ✓ Producing and using Recyclable Packaging Materials
 - ✓ Prioritize the use of recycled and environm- entally friendly materials
 - ✓ Coordinate with Suppliers for input mate-rials using Materials with at least 30% recyclable

INOVATION & DEVELOPMENT CUSTOMER

- Optimizing production costs, accompanying and developing sustainable packaging Producing and using Recyclable Packaging Materials
- Research and develop advice on optimal packag- ing structure and reduce packaging costs

V. OUTSTANDING SERVICES

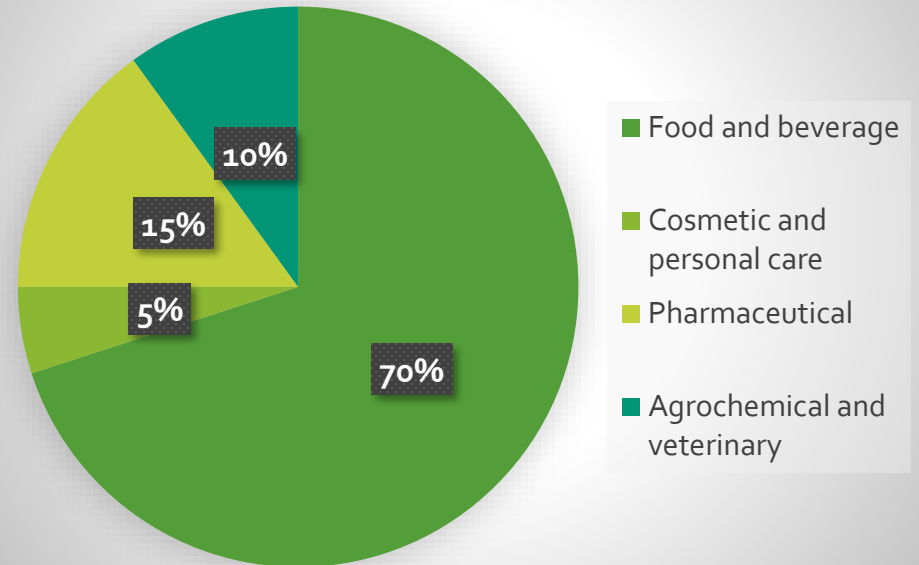

- Modern technology

- The competitive price from 6 to 12 months

- Delivery quickly within 7-12 days (Domestic – Viet Nam), 25-30 days (Exporting)

- Professional services

Product line ratio

Strategic partnership

9 reasons to choose Binh Minh Group as a potential new supplier

01

More than 15 years industry experience

04

Closed project management process

07

Ensure project progress

02

Professional and non-stop creative staff

05

Commitment to product quality

08

Committed to competitive prices

03

Towards effective advice and support

06

Understanding the Vietnamese market

09

Always respect copyright
