A LEADING NUTRITION GROUP IN VIETNAM

With brand valued at 3 billion USD, Vinamilk is the leading nutrition group in Vietnam, ranked 36th in the top 40 world dairy producers with an annual turnover of over 2.52 billion USD. We have exported more than 3300 containers of goods to 60 nations and territories, including developed countries such as the US, Canada, South Korea, Australia, and Japan... Besides, we have manufactured private labels for global retailers under a variety of products.

Vinamilk boasts a large-scale network comprising 16 factories and 15 farms of international standards at home and abroad. All of our factories are equipped with cutting-edge manufacturing lines to produce a variety of products such as milk powder, infant cereal, sweetened condensed milk, fluid milk, yogurt, nondairy products, and beverages.

With strong R&D competencies and continuous investment in human resources and facilities, we have been able to develop a host of customized products which not only strictly comply with global quality standards, but also satisfy regional-specific nutritional needs and flavor preferences.

We also provide other OEM added-values services such as artwork design, consultancies in packaging and loading in shipping containers, in exports documentation and country of origin advantages.
