## VISION

Phuc Lam Plywood is committed to becoming a leading enterprise in manufacturing and distributing premium industrial plywood products. By bringing the Phuc Lam brand into international markets, we contribute to elevating the value and position of Vietnam's wood industry on the global map.

---

## MISSION

Phuc Lam is committed to providing the highest quality industrial wood products, ensuring sustainably sourced plantation timber, and using Japan's F4-star standard water-resistant and environmentally friendly wood glue. Our professional production processes are designed to meet and exceed the expectations of both domestic and international customers. We continuously strive to contribute to the sustainable development of the community and society.

## OUR CORE VALUES

---

### QUALITY

Phuc Lam Technologies always prioritizes product quality, from raw materials to production processes and the final product.

---

### INTEGRITY

With integrity in thoughts and actions, we adhere to ethical and legal standards, maintaining transparency and honesty in all transactions and relationships, thereby building trust and respect from customers, partners, and the community.

---

### SUSTAINABILITY

We are committed to sustainable development: economic, environmental, and social. Phuc Lam Technologies is dedicated to using sustainable resources to ensure long-term benefits for the user and the community.
