ABOUT US

Camel Group is the one who takes pride in bringing you the vibrant flavors and rich traditions of Vietnam's agricultural heartland. From our headquarters in Thanh Hoa province to our cutting-edge manufacturing facility in Bac Giang, we are dedicated to delivering premium canned fruits and pickled vegetables sourced directly from local farms.

We work hand-in-hand with our farmers and trusted suppliers across the region, forming lasting partnerships built on mutual respect and shared values. By sourcing our ingredients locally, we not only ensure the freshest and highest quality produce but also contribute to the prosperity of our rural communities.

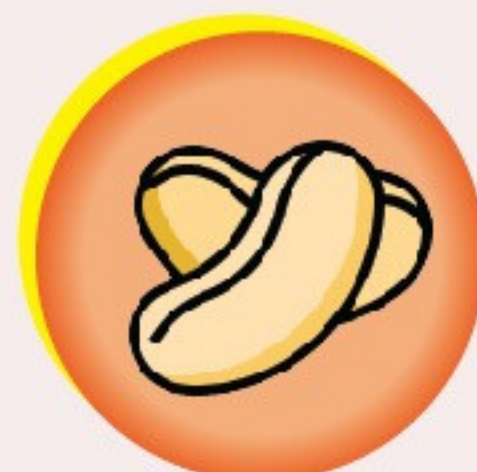

Established with a passion for preserving the essence of Vietnam's rich agricultural bounty. Camel Group will become an exporter of high-quality, food-safe canned pineapple, lychee, longan, pickled gherkins...
