**PHUCSINH CORPORATION** was established in 2001 with its former name as Phuc Sinh International Company Ltd.. We built the first fresh pepper processing factory, namely Vietspices. Three years later, we set up two others: sterilized pepper factory and coffee processing factory. We also set up its internal laboratory and container vehicle team for Phuc Sinh product transportation. Based on achievements gained for during the time, the Board and all staffs of Phuc Sinh always build up firmly & reliable cooperation with local and international partners; ensure a prestigious with clients, banks, suppliers to emphasize Vietnam status around the world market. This solid foundation creates next more brighting progress of the Enterprise. Phuc Sinh will always cooperate with all domestic and international partners to meet the challenge, looking towards the future.
