

Since 2019

CHI NGUYEN PAPER

COMPANY PROFILE

About us

Chi Nguyen Paper is a Vietnam-based paper trading company specializing in international B2B sourcing and supply of printing and packaging papers. With a strong focus on quality consistency, transparent trade practices, and long-term partnerships, we work closely with reputable mills and manufacturing partners across Asia to deliver stable paper solutions tailored to each customer's technical and commercial requirements.

Our core strengths lie in market intelligence, flexible sourcing, and international trade expertise, enabling us to support customers with competitive pricing, reliable logistics, and well-structured Incoterms and payment terms.

Serving clients in printing, packaging, and commercial paper industries, Chi Nguyen Paper is committed to becoming a trusted global paper sourcing partner, contributing to sustainable growth for both our customers and partners.

Our Mission & Vision

MISSION

To deliver tailored paper solutions that best meet customer needs: efficiently, timely, and cost-effectively.

VISION

To become a trusted bridge connecting reputable paper manufacturers, trading partners, and global markets.

CORE VALUES

- Agilability
- Accountability
- Avalability

Our Products

STOCK PAPER - Printing & Packaging

Chí Nguyên Paper maintains a stable inventory (around 2000 tons of printing and packaging papers) to ensure fast delivery and consistent supply. Our in-stock products include Coated Art Paper (C2S), Ivory Board (FBB), Woodfree Paper, and Duplex Board, widely used for books, commercial printing, and packaging applications.

CUSTOMIZED PAPER SOLUTIONS

Beyond standard grades, we offer customized paper solutions based on specific customer requirements. This includes packaging papers, functional papers, and specialty papers tailored to technical specifications, end-use performance, and market standards.
