Introduction

AVIFOOD is a Vietnam-based manufacturer specializing in dried rice-based products and seasonings, including rice noodles, pho, rice paper, and savory granules.

Originating from a traditional family craft village, AVIFOOD has grown into a modern manufacturing facility located in Dan Phuong, Hanoi. We combine heritage know-how with advanced processing technology to deliver consistent, high-quality products for both domestic and international markets.

We don't just supply products — we deliver authentic Vietnamese culinary solutions tailored for global consumers.

Mission

- Elevate Vietnamese agricultural products
- Standardize quality for export markets
- Bring Vietnamese cuisine to tables worldwide

Our Products

VEGAN

GLUTEN-FREE

NON GMO

The product meets key global standards for safe and sustainable consumption. Vegan certification ensures no animal-derived ingredients, Gluten-Free supports special dietary needs, and Non-GMO guarantees non-genetically modified inputs.

These certifications enhance transparency, build trust, and support market entry into demanding regions such as the U.S. and EU, strengthening competitiveness with importers, distributors, and modern retail channels worldwide.
