OEM | ODM | PRIVATE LABEL

Vietnam ♥

1 ABOUT US

Who We Are

We are a Vietnam-based sewing workshop specializing in swimwear manufacturing for international brands.

Located in Nam Dinh Province—one of Vietnam's leading textile and garment manufacturing hubs—we provide flexible production solutions for startups, growing brands, and established fashion companies.

Our mission is simple:

Deliver high-quality products, on time, every time.

2 WHY CHOOSE US

Why Our Customers Choose Us

- ✓ Competitive manufacturing costs
- ✓ Flexible MOQ
- ✓ Strict quality control
- ✓ On-time delivery
- ✓ Fast communication in English
- ✓ Skilled sewing operators
- ✓ Located in Vietnam's largest garment manufacturing region
- ✓ Support OEM & Private Label production

3 WOMEN-OWNED BUSINESS

Empowering Women Through Manufacturing

We are proud to be a women-owned business committed to creating sustainable employment opportunities for local women.

Most of our production team consists of experienced female sewing operators who take pride in their craftsmanship and attention to detail.

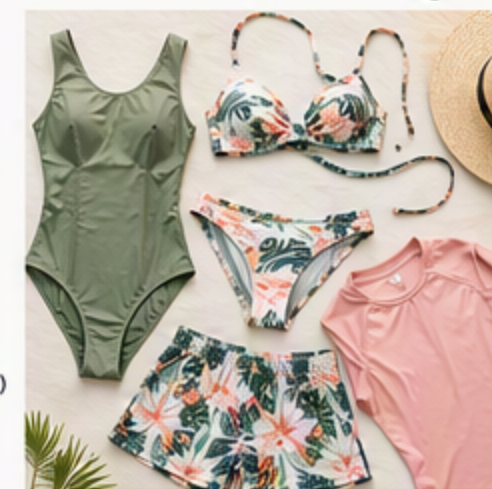

By working with us, our customers not only receive quality products but also contribute to supporting women's economic empowerment in our local community.

6 QUALITY COMMITMENT

Quality is Our Priority

Every product goes through multiple inspection stages before shipment.

Our quality commitment includes:

- ✓ Material inspection
- ✓ In-line quality control
- ✓ Final inspection
- ✓ Measurement checking
- ✓ Needle control
- ✓ Packing verification

We strive to maintain consistent workmanship and minimize defects through standardized production.

7 DELIVERY COMMITMENT

Reliable Delivery

We understand that timely delivery is critical to every fashion business.

Our production planning focuses on:

- ✓ Clear production schedules
- ✓ Daily progress monitoring
- ✓ Flexible capacity planning
- ✓ Quick response to urgent orders

We are committed to delivering orders on schedule without compromising quality.

8 WHY VIETNAM

Why Manufacture in Vietnam?

Vietnam has become one of the world's leading garment manufacturing destinations thanks to:

- ✓ Highly skilled workforce
- ✓ Competitive labor costs
- ✓ Strong textile supply chain
- ✓ Stable production environment
- ✓ Export experience worldwide

Our workshop is located in Nam Dinh Province, an area renowned for its experienced garment workers and long-established textile industry.
