VIETSHIP 2027 will mark the 11th edition of Vietnam's premier International Exhibition for the Shipbuilding and Maritime industry. The event will bring together leading shipyards, marine equipment manufacturers, technology providers, and industry experts from Vietnam and around the world.

VIETSHIP 2027 will showcase the latest innovations in shipbuilding, offshore engineering, marine technology, logistics, and sustainable maritime solutions. As a key meeting point for global industry players, the exhibition provides an important platform for networking, business collaboration, and the exchange of ideas shaping the future of the maritime industry.
