Roasted coffee supply for Sweden

RESPONSE FROM COLLECTIVE COMPANY LIMITED · LACÀPH · 24 NOVEMBER 2026

Lacàph is a Vietnamese coffee brand that shares Vietnamese coffee and culture with curious people everywhere. We roast, grind and pack our own coffee in Ho Chi Minh City and export it directly. Below we answer each requirement in the order it was published.

1 **Direct producer and exporter of Robusta and Arabica**

We roast, grind and pack Arabica and Robusta coffee at our own roastery in Ho Chi Minh City and export directly under Collective Company Limited.

2 **Robusta / Arabica blend, medium to dark roast, for filter machines**

Two ways to start, which can run side by side:

OPTION	WHAT IT IS
A. Ready blends Arabica and Robusta	**Lacàph Signature Phin Blend**: Gold, World Taste 2025; two stars, Great Taste 2025 **Lacàph Signature Espresso Blend**: two Bronze medals, Golden Bean 2024 **Lacàph Traditional Espresso Blend** Whole bean, or ground for filter machines.
B. Custom blend For your own brand	A medium to dark Arabica and Robusta blend, ground for filter brewing and built to your taste brief. Supply under your own brand is handled as a project.

3 **Samples, technical specifications, quality file**

Product technical sheets, laboratory test reports (heavy metals, ochratoxin A) and samples are available. Shelf life is 12 months. Every blend is 100% coffee with no fillers, roasted to order.

4 **Stable supply and EU quality and food safety**

Our roastery holds HACCP Codex Alimentarius certification (TQC CGLOBAL, No. TQC.05.7516) and a Vietnamese food safety facility certificate issued by the Ho Chi Minh City Food Safety Department. Coffee is roasted to order, so each shipment leaves fresh.

5 **Sustainability and traceability**

Our coffee is grown in Vietnam. We do not hold a third-party sustainability certification today. We will work with the importer on the origin information it needs for EU import, and we are open to discussing what your market requires.

6 **Export experience and long-term cooperation**

We export to France, the United States, New Zealand and Hong Kong, and work with distribution partners on yearly agreements.

Next step. Please share your target taste, pack size and expected yearly volume. We will prepare samples and an EXW Ho Chi Minh City quotation for your review.
