Highland Tropico Coffee Company

HIGHLAND TROPICO COFFEE CO., LTD

JOURNEY TO CHANGE ENHANCED BY VIETNAM'S COFFEE

COMPANY PROFILE

2026

Elevating the value of Vietnam's coffee is our mission. This journey needs to be shared and connected with all of you: "The people who love Vietnamese coffee around the world."

OUR STORY

JOURNEY TO CHANGE ENHANCED BY VIETNAM'S COFFEE

We are the young generation born and raised in Gia Lai province, Vietnam. This sacred land is one of the largest coffee farms in the world since the 19th century, where farms possess the finest Robusta coffee beans with excellent flavors. Our mission is to preserve and develop this exceptional Robusta coffee producing region!

Our goal is to elevate the value of Vietnamese coffee beans and become a bridge between customers and high-quality coffee beans.

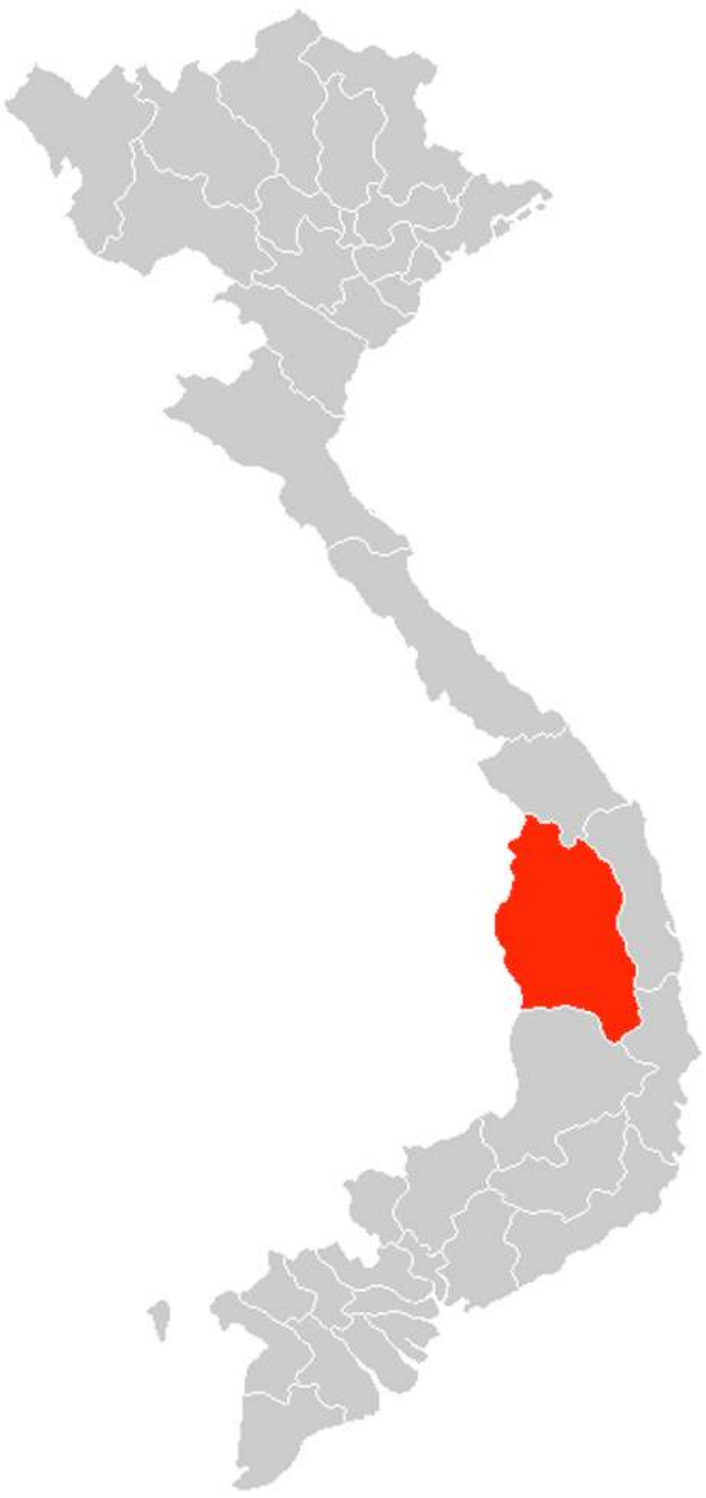

We support and collaborate with the coffee farming communities in the provinces of Gia Lai and Kontum to bring value and quality as well as a brighter future for the coffee-producing community who are directly involved in contributing to Vietnamese coffee beans.

Elevating the value of Vietnam's coffee is our mission. This journey needs to be shared and connected with all of you: "The people who love Vietnamese coffee around the world."

30,000	2,000 TONS

Highland Tropico Coffee Company

GREEN BEANS SORTING FACTORY

The green kernel grading factory at Tropico applies new technology that meets international standards for export goods with a capacity of 200 tons/day.

The factory has the following functions:

- **Remove impurities and defective coffee beans.**
- **Classification of particle size and density.**

Highland Tropico Coffee Company

ROASTED COFFEE FACTORY

Our roasted coffee factory is equipped with a modern automatic roasting machine system, ensuring stable quality and high efficiency.

The production process is fully integrated, from roasting and cooling to packaging, guaranteeing consistent flavor and aroma in every batch.

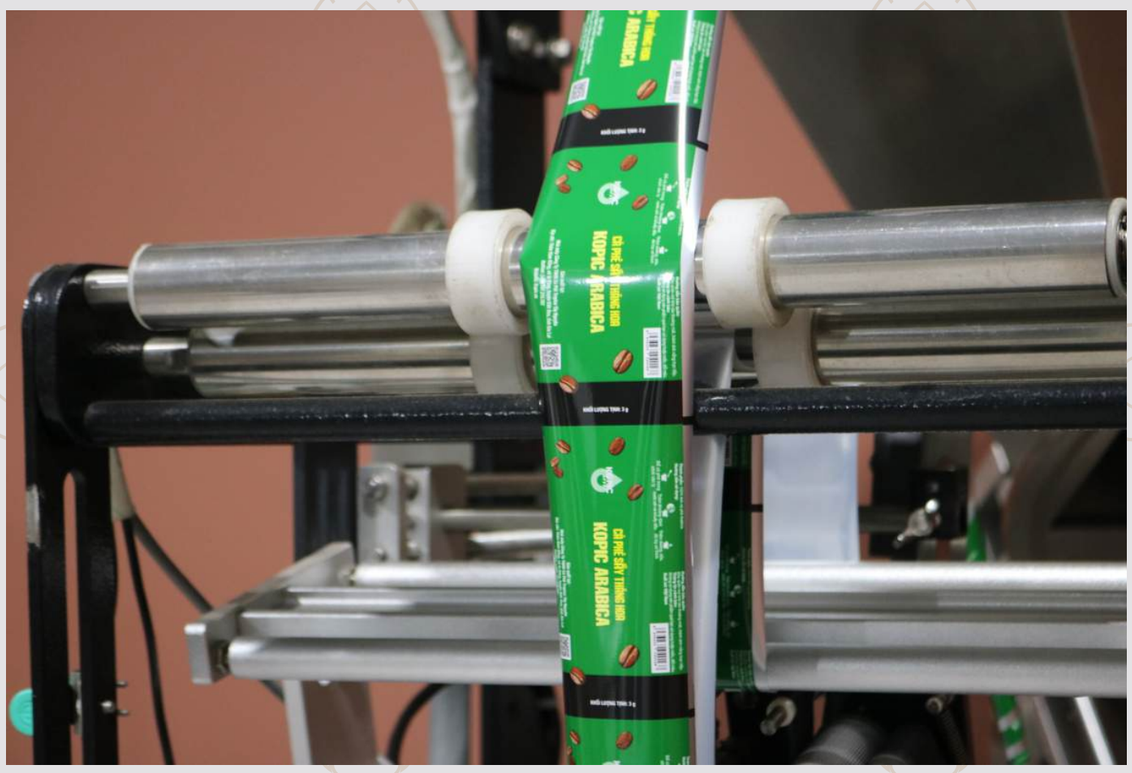

Our production capacity reaches 10 tons per day, meeting both domestic and international market demands.

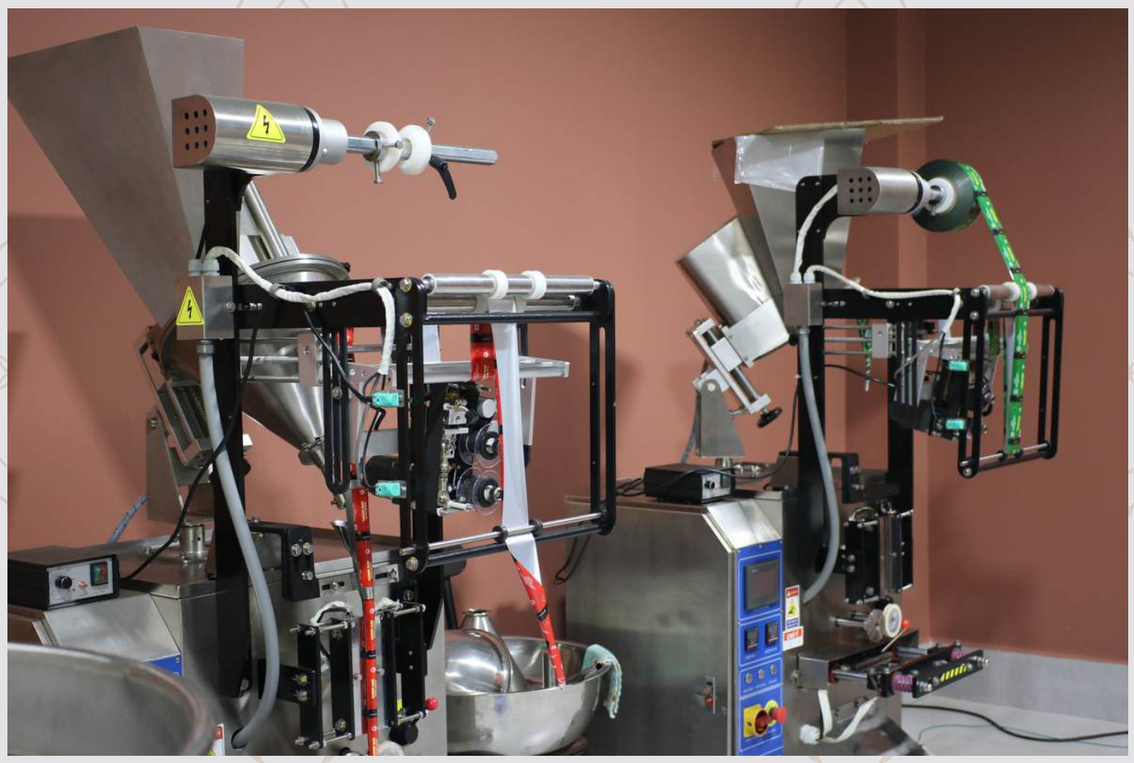

Highland Tropico Coffee Company

INSTANT COFFEE FACTORY

Our instant coffee factory at Tropico applies advanced freeze-drying technology, allowing coffee to retain its original flavor, aroma, and quality.
The production process is fully automated, from extraction and freezing to drying and packaging, ensuring high purity and product consistency.
With a production capacity of 1 ton per day, the factory meets the demands of both premium instant coffee products and customized orders.
